

**Ben Orlove**  
School of International and Public Affairs  
Columbia University  
New York, NY 10027

---

OFFICE ADDRESS: School of International and Public Affairs  
Columbia University, MC 3323  
420 West 118<sup>th</sup> Street, room 833  
New York, NY 10027  
212/854-1543 (voice)  
212/854-5765 (fax)  
bso5@columbia.edu

HOME ADDRESS: 645 West End Avenue, Apt 6F  
New York, NY 10025  
212/877-0504

EDUCATION: Harvard College  
B.A. (Anthropology) 1969  
University of California, Berkeley  
M.A. (Anthropology) 1970  
Ph.D. (Anthropology) 1975

EMPLOYMENT: Columbia University  
School of International and Public Affairs, Professor  
International Research Institute for Climate and Society,  
Senior Research Scientist  
MA Program in Climate and Society, Associate Director  
Center for Research on Environmental Decisions, Director  
Earth Institute, Faculty Member, July 2010-present

University of California, Davis  
Department of Environmental Science and Policy  
July 1974-June 1978, Assistant Professor  
July 1978-June 1985, Associate Professor  
July 1985-June 2010, Professor

LANGUAGES: Spanish, Portuguese, French, German, Quechua

## SELECTED GRANTS, AWARDS AND HONORS

- 2010 US National Science Foundation, Division of Social, Behavioral and Economic Sciences. Grant “Understanding and Improving Environmental Decisions” 2010–2016. \$6,498,750.
- 2008 US National Science Foundation, Division of Social and Economic Sciences and US National Oceanic & Atmospheric Administration. Collaborative Research Grant: “Understanding Dynamic Responses to Hurricane Warnings: Implications for Communication and Research”. Co-principal investigators: Kenny Broad, Bob Meyer, Shuyi Chen, University of Miami. 2009-2011 \$398,000. (Orlove portion \$29,532).
- University of Wisconsin, AnthroCircle Distinguished Lecturer.
- 2007 Social Science Research Council, Dissertation Proposal Development Fellowship Program. Graduate training grant. “Water Sustainability: Society, Politics, Culture”. Co-principal investigator, Steven Caton, Anthropology, Harvard University. \$15,000 and support for training and field work for 10 graduate students.
- 2004 Election to Fellow, American Association for the Advancement of Science.
- US National Science Foundation, Division of Decision, Risk, and Management Sciences. Grant “Center for the Study of Individual and Group Decision-making Under Climate Uncertainty” 2000–2009. \$5,906,000 (Orlove subcontract \$509,201).
- 2003 US National Oceanic & Atmospheric Administration, Office of Global Programs. Grant “Improvement of Forecast Communication and Use between Indigenous and Governmental Groups in Australia: Managing Fire in Arid and Semi-Arid Lands under Conditions of Interannual Climate Variability,” 2003-2006. \$339,250.
- 2000 US National Oceanic & Atmospheric Administration, Office of Global Programs. Grant “Improving Climate Forecast Communications for Farm Management in Zimbabwe.” Co-principal investigator: Jennifer Phillips, GISS/NASA, Columbia University. 2000-2003. \$159,738.
- 1998 Tinker Foundation. Grant. “The Use of El Niño-related Climate Forecasts in Peruvian Fisheries Management: Integrating Natural and Social Sciences in Environmental Policy.” Co-principal investigator: Steve Zebiak, Lamont-Doherty Earth Observatory, Columbia University. 1998-2000. \$80,000.
- 1993 US Department of Education, Fund for the Improvement of Post-Secondary Education. Grant. “Development of an Undergraduate Program in Nature and Culture”. Principal investigators: David Robertson, English, UC Davis and Mark

Wheelis, Microbiology, UCDavis. 1993-1996. Total award: \$450,000. Support for Orlove: \$25,350.

- 1991 Wenner-Gren Foundation for Anthropological Research, Grant-in-Aid, "Nation-making by Nation-bounding: An Anthropological History of the Peru-Bolivia Border." \$4,000.
- National Science Foundation, Anthropology Program. Grant DBS 91-20426 "Income Source, Consumption and Migration in Four Mexican Villages." Co-principal investigator: Edward Taylor, Agricultural Economics, UCDavis. 1992-94. \$105,012.
- 1990 University of California UC-MEXUS Program. Grant. "Migration, Consumption and Development in Rural Mexico." Co-principal investigator: Edward Taylor, Agricultural Economics, UCDavis. \$10,152.
- 1982 National Science Foundation, Anthropology Program Grant "The Production, Distribution and Consumption of Fish in Lake Titicaca (Peru-Bolivia)" 1982-83. \$15,216.
- 1978 National Science Foundation, Anthropology Program Grant. "Resource Utilization in a Lacustrine Environment" 1978-81. \$61,303.

## PUBLICATIONS

### BOOKS

- 2008 Ben Orlove, Ellen Wiegandt and Brian H. Luckman, eds. Darkening peaks: glacial retreat, science and society. Berkeley: University of California Press.
- 2003 Sarah Strauss and Benjamin S. Orlove, eds. Weather, culture, climate. London: Berg.
- 2002 Lines in the water: nature and culture at Lake Titicaca. Berkeley: University of California Press.
- 1997 The allure of the foreign: imported goods in post-colonial Latin America. Ann Arbor: University of Michigan Press. (edited volume).
- 1995 In my father's study. Singular Lives: The Iowa Series in North American autobiography, Albert E. Stone, series editor. Iowa City: University of Iowa Press.

- German translation 2002. *Die Erfindung meines Vaters*. Berlin: Metropol-Verlag
- 1989 Henry J. Rutz and Benjamin S. Orlove, eds. *The social economy of consumption*. Lanham, MD, New York and London: University Press of America.
- 1989 Benjamin S. Orlove, Michael W. Foley and Thomas F. Love, eds. *State, capital and rural society: anthropological perspectives on political economy in Mexico and the Andes*. Boulder, CO: Westview Press.
- 1982 Pierre Morlon, Benjamin Orlove and Alberic Hibon, *Tecnologías agrícolas tradicionales en los Andes centrales: perspectivas para el desarrollo*. Lima: UNESCO and Corporación Financiera de Desarrollo.
- 1980 Benjamin S. Orlove and Glynn Custred, eds. *Land and power in Latin America: agrarian economics and social process in the Andes*. New York: Holmes and Meier.
- 1977 *Alpacas, sheep and men: the wool export economy and regional society in southern Peru*. New York: Academic Press.

- An examination of Andean peasant diaries: the agrarian household in wider social and political context. Annual Meeting of the Society for Economic Anthropology. Bethlehem, PA.
- 1995 The anthropology of the earth: general considerations and a case from Lake Titicaca. Annual Meeting of the Society for Ethnobiology. Athens, GA.
- 1994 Breaking away from Europe, buying into Europe: class patterns of consumption of imported goods and the paradoxes of postcolonial national culture in 19th and 20th Century Chile. Annual Meeting of the American Anthropological Association. Atlanta, GA.
- A stove of her own: work, family, power and health in Mexican women's kitchen narratives. Annual Meeting of the American Anthropological Association. Atlanta.
- A place of Indians and a place for Indians: the inseparability of race and region in Peru. Annual Meeting of the American Ethnological Society. Los Angeles.
- 1993 The invention of the highlands: geography and the national political imagination in Peru. Colloquium Series, Department of Anthropology, University of Texas, Austin.
- Surfacings: thoughts on Jewishness, memory and the ethnographer's self. Annual Meeting of the American Anthropological Association, Washington, D.C.
- Patriarchy, capitalism and shoe-polish: an examination of imports into Chile, 1870-1930. Annual Meeting of the American Ethnological Society. Santa Fe, NM.

Cooperative work, common property and collective memory: the bases for peasant identity, action and resistance in highland Peru. Colloquium Series, Program in Agrarian Studies, Yale University.

- 1992 Interdependent futures: sustainable development as process, project and narrative. Center for Resource Studies Research Conference: "Ecosystems and Global Systems". Utrecht, the Netherlands.

Finding patterns or inventing them: an analysis of an analysis of Andean consumption data. Annual Meeting of the American Anthropological Association. San Francisco.

- 1991 Indigenous knowledge and agricultural practices: crop varieties in southwest China and the Andes. Biannual Meeting of the Southwest China Minority Studies Association. Dali, Yunnan, China.

Censuses, briefings, interviews and observation: some reflections on research methodologies among minority peoples. Biannual Meeting of the Southwest China Minority Studies Association. Dali, Yunnan, China.

- 1990 Reporting conflicts and conflicting reports: an examination of accounts of hostile encounters between peasants and government officials in highland Peru. Annual Meeting of the American Ethnological Society. Atlanta, GA.

Narrativas políticas campesinas y estatales: perspectivas distintas sobre la violencia. Conference of the Grupo de Trabajo de Historia y Antropología Andinas sobre el tema "Poder y Violencia en los Andes," Facultad Latinoamericana de Ciencias Sociales. Quito, Ecuador.

Local events or a regional movement: examining peasant opposition to a government program in Peru. Annual Meeting of the American Anthropological Association. New Orleans, LA.

Consumption, production and history among the fishermen of Lake Titicaca. Annual Meeting of the American Anthropological Association. New Orleans, LA.

- 1989 The analysis of time allocation among Lake Titicaca fishermen. Annual Meeting of American Ethnological Society. Santa Fe, NM.

- 1988 Fighting over reeds. Annual meeting of the American Anthropological Association. Phoenix, AZ.

- 1987 Consumption and production perspectives: accounting for the response of Lake Titicaca Fishermen to the international debt crisis. Annual Meeting of the Society for Economic Anthropology. Riverside, CA.
- 1985 Sustainability of resource extraction: the fisheries of Lake Titicaca. Annual Meeting of the Society for Economic Anthropology. Warrenton, VA
- 1984 Barter and cash sale: the allocation of fish in Lake Titicaca. Annual Meeting of the Society for Economic Anthropology. Davis, California.
- 1983 Dietary stability and change in highland Andean dietary patterns: causes and consequences. Wenner-Gren Conference on Human Dietary Preferences and Avoidances. Cedar Key, FL.
- Bureaucratic duplication, inefficiency and failure in rural Peru. Annual meeting of the American Anthropological Association. Chicago.
- 1982 The history of the Andes: a brief overview from a world-systems perspective. Annual Meeting of the American Anthropological Association. Washington, D.C.
- Barter and cash sale: the allocation of fish in Lake Titicaca. International Congress of Americanists. Manchester, England.
- 1981 Wool export economics and agrarian reform in the central Andes: pastoral populations in highland Peru and Bolivia. International Union of Anthropological and Ethnological Studies. Amsterdam.
- 1980 The politics of inland fisheries development in two nations: Lake Titicaca, Peru-Bolivia. Annual Meeting of the American Anthropological Association. Washington, D.C.
- Pastoralism in the Southern Sierra. Small Ruminant Collaborative Research Support Program, Symposium on Andean Peasant Economies and Pastoralism. Columbia, MO.
- 1979 Recent ethnographic and ecological research in Lake Titicaca. Annual Meeting of the American Anthropological Association. Cincinnati, OH.
- Para quienes se aprovecha el Lago Titicaca. IV Congreso Peruano del Hombre y la Cultura Andina. Cusco, Peru.
- 1978 Some interactions of production scale, natural environments and socio-economic impacts on food production strategies in Latin America. Annual Meeting of the American Association for the Advancement of Science. Washington, D.C.

Rebels and theorists: modes of production, world-system, and peasant uprisings in Peru. Annual Meeting of the Southwestern Anthropological Association. San Francisco.

Ecological and behavioral constraints on pastoral economies: central Andean Herders and their flocks. Annual Meeting of the Pacific Sociological Association. Spokane, WA.

1977      The state and class conflict in northern coastal Peru. Annual Meeting of the American Anthropological Association. Houston, TX.

1976      Tomar la bandera: politics and punch in southern Peru. XLII International Congress of Americanists. Paris.

The tragedy of the commons revisited: land use and environmental quality in high-altitude Andean grasslands. International Hill Lands Symposium. Morgantown, WV.

A stranger in her father's house: Juanita's suicide. Annual Meeting of the American Anthropological Association. Washington, D.C.

Systems of production and Indian peasant insurrections: a general discussion and three specific cases. XLII International Congress of Americanists. Paris.

Integration through production: the use of zonation in Espinar. XLII International Congress of Americanists. Paris.

1975      Two hypotheses and two rituals: solstice divination in southern Peru. Annual Meeting of the American Anthropological Association. San Francisco.

Relations of production in industrial capitalism: a mine in central Peru. Annual Meeting of the American Association for the Advancement of Science. New York.

Benjamin S. Orlove and Glynn Custred. The laymi system: collective land use patterns in the Peruvian highlands. Annual Meeting of the Institute for Andean Studies. Berkeley, CA.

1974      The decline of local elites: Canchis in southern Peru. Annual Meeting of the American Association for the Advancement of Science. San Francisco.

Rich man, poor man: inequality in peasant communities. XLI International Congress of Americanists. Mexico City.

Land and power: aspects of peasant-elite relations in Surimana and Quehue. Annual Meeting of the American Anthropological Association. Mexico City.  
Molloccahua 1931: A Peasant Uprising in Southern Peru. XLI International Congress of Americanists. Mexico City.

Benjamin S. Orlove and Glynn Custred. Sectorial fallowing and crop rotation systems in the Peruvian highlands. XLI International Congress of Americanists Mexico City.

(With Glynn Custred.) The hacienda and the community reconsidered. Annual Meeting of the American Anthropological Association. Mexico City.

1973 Abigeato: social banditry in the Andes. Annual Meeting of the American Anthropological Association. New Orleans, LA.

A mixed agricultural-transhumance economy and techniques of microenvironmental variation in the Andes. Annual Meeting of the American Anthropological Association. New Orleans, LA.

1971 Two models of the American corporation: the case of an insurance firm. Annual Meeting of the Kroeber Anthropological Society. Berkeley, CA.

## OTHER ACADEMIC ACTIVITIES

### EDITORIAL SERVICE

Weather, Climate and Society, Editor, 2008-present.

Current Anthropology, Editor-in-chief, 2000-2008.

American Ethnologist, Associate Editor, 1995-98.

University of California Press, Editorial Committee Member, 1991-1996.

American Ethnological Society, Councillor: Review of American Ethnologist and AES Monograph Series, 1988-1990.

University of Arizona Press, Human Ecology Monograph Series, Editorial Committee Member, 1986-1997.

### SCHOLARLY ORGANIZATIONS

Initiative on Climate Adaptation Research and Understanding through the Social Sciences. Founding Committee Member and Co-Director, 2008-present.

International Mountain Society. Board Member, 1992-1997.

American Anthropological Association. Program Committee, 1988-1989. Committee on the Future of Print and Electronic Publications, 2009-present. Task Force on Climate Change, 2011-present.

American Ethnological Society. Councillor, 1988-1991.

Society for Economic Anthropology. Board Member, 1984-1987.

Social Science Research Committee. Latin American Doctoral Fellowship Screening Committee, 1986- 1987.

Inter-American Foundation. Dissertation Fellowship Selection Committee, 1981-1983; Master's Fellowship Selection Committee, 1983-1987.

## APPLICATIONS, CONSULTING AND OTHER PROFESSIONAL SERVICE

- 2011      United States Geological Survey. Met with USGS staff to discuss communication of hazard risks.
- National Hurricane Center. Met with staff of NHC, NOAA and NSF to discuss communication of information about hurricane risks.
- World Bank Social Development Strategy. Met with World Bank staff and members of the United Nations Permanent Forum on Indigenous Issues to discuss vulnerability of indigenous peoples to climate change.
- 2010      Climate Change, Agriculture and Food Security Program of the Consultative Group on International Agricultural Research (CGIAR) and the Earth System Science Partnership (ESSP). Spoke with CGIAR staff to discuss climate information communication in Africa.
- 2008      Participated in workshop on "Social Dimensions of Climate Change in Latin America and the Caribbean" organized by the Social Development Department of the World Bank. Contribution to workshop report.
- Participated in National Science Foundation-sponsored Expert Roundtable on Research Priorities in Sustainable Development.
- 2007-2008      California Energy Commission. Adaptations to Climate Change in Yolo County. Evaluated changes in land use and decision-making under different climate change scenarios.
- 2007      Participated in National Academy of Sciences expert workshop, organized by a National Academies committee established to assess progress of the U.S. Climate Change Science Program (CCSP).
- Consulted with Practical Action and OXFAM-UK (NGOs) on climate change issues in Peru.
- 1997-present      International Research Institute for Climate and Society, Columbia University. Consulted on programs for applications of climate forecasts to agriculture, fisheries and hydrology. Particular emphases on Peru, Brazil, Zimbabwe, Uganda and Indonesia.
- 1992      Utrecht University, The Netherlands. Evaluated and helped develop teaching and research programs in sustainable development at the Center for Resource Studies.

- 1991 Ford Foundation and Yunnan Academy of Social Sciences. Developed a research workshop on minority peoples, sustainable agriculture and mountain environments. Yunnan, China. 1991.
- 1981-1985 Inter-American Foundation:
1982. Evaluation of Instituto de Estudios Peruanos (Institute of Peruvian Studies), Lima, Peru.
1982. Evaluation of technical and economic development projects, La Paz, Cochabamba, Chuquisaca, Potosí, Bolivia.
1983. Evaluation of an agricultural development project in the context of severe drought. Potosí, Bolivia.
1984. Evaluation of Centro de Estudios de la Realidad Económica y Social (Center for Economic and Social Studies), La Paz and Cochabamba, Bolivia.
- 1980-1982 Small Ruminant Collaborative Research Support Program (US Agency for International Development and a consortium of land grant colleges):
1980. Ecological and anthropological aspects of small-scale livestock production. Columbia, Missouri.
1982. On-site evaluation of ecological field research. Piura, Peru.
- 1979-1982 Instituto del Mar del Perú (Peruvian Marine Institute) and Food and Agriculture Organization (United Nations): development of an artisanal fisheries assessment program in Lake Titicaca, Peru. 1979-1982.

## MEMBERSHIPS IN PROFESSIONAL SOCIETIES

American Anthropological Association  
American Association for the Advancement of Science  
American Ethnological Society  
American Geophysical Union  
Society for Anthropology and Environment  
Society for Cultural Anthropology  
Society for Culture and Agriculture  
Society for Economic Anthropology  
Society for Latin American and Caribbean Anthropology

## COURSES TAUGHT

### Columbia University

- Managing and Adapting to Climate Change
- Adaptation to Climate Change
- Summer class: Climate & Society
- Summer Internship in Climate and Society

### University of California, Davis

- Societies and Cultures of Latin America
- Rural Transformations of the Post-Colonial World
- Anthropological and Historical Approaches to the Study of Consumption
- History and Memory
- Peasant Society and Culture
- Anthropology and Globalization
- Introduction to Environmental Studies
- Cultural Ecology
- Laboratory and Field Methods in Cultural Ecology
- Human Ecology
- Field Methods in Human Ecology
- Conservation and Sustainable Development
- Anthropological and Ecological Perspectives on Map-making
- Ecological and Anthropological Perspectives on Food Systems
- Ecological and Anthropological Perspectives on Human Carnivory
- Comparative Study of Irrigation Systems
- Human Adaptation to Mountain Ecosystems
- Cultural Ecology of Fishing Communities
- Climate and Society
- Social Systems and Agricultural Development
- Comparative Perspectives on Nature and Culture
